As regards the exchange of publications between the Provincial Governments in the two Dominions of the Government of India consider that it is for the Provincial Governments to deci whether and if so on what terms they should enter into reciprocal arrangements with Provincial Governments in Pakistan ~~in xxxx~~ The suggestion made by the Government of Pakistan is accordingly being brought to the notice of the Provincial Governments in India for necessary action. Copy with a copy of the Government of Pakistan's letter No. D. 278- IU /48 without a date and letter No. D. 374 -IU/48 dated the 23rd Janaury 1948, forwa rded to all the Provincial Governments for information and necessary action. It is desirable that for the sake of uniformity, the Provincial Governments also arrange to exchange their publications only on cash payment basis.

(This disposes of letter No. 12428-B.c, dated the 21st February 1948 from the Government of Madras).

** This disposes of letter No. 917 XVII, dated the 6th April 1948 f rom the Government of the United Provinces. *

Copy of letter No.D.278-IU/48, dated nil, from the Secretary to the Government of Pakistan, Ministry of Foreign Affairs and Commonwealth Relations, Karachi to the Secretary, Ministry of External Affairs and Commonwealth Relations, New Delhi.

With reference to the Agreement forwarded with your letter F. 22/47.OS.V, dated August 13th, 1947, I am directed to address you on the question of the distribution of Acts of the Governments of India and Pakistan and of Provincial Governments in those Dominions to authorities in the other Dominion.

2. The Government of Sind intimate that, since the 15th August 1947, the existing arrangements for the recipnocoal exchange of Acts have continued except in the case of the United Provinces. The Superintendent, Government Printing and Stationery, United Provinces, has informed the Government of Sind that his Government had directed him not to supply Acts of the Legislature of the United Provinces to the Government of Sind.

3. In view of the Agreement referred to above, this decision appears correct (unless the matter be regarded as of a purely routine nature) and if it si desired that there should be reciproca exchange of such publications, this should be arranged through the Government of India and the Government of Pakistan.

4. The Government of Pakistan would be glad to receive the views of the Government of India on this question and to learn whether they wish to enter into a reciprocal agreement for the exchange between the Central and Provincial Governments of the two Dominions of copies of Central and Provincial Legislation; if so, the channel of communication which they suggest should be followed in the matter may please be indicated. This Governme would be inclined to consider the actual transmission of such documents, if such a reciprocal agreement were entered tinto as of a purely routine nature.
